

# WORKING AS AN AUDITOR

IRELAND

2022

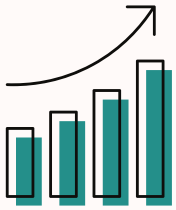

## The market

The current audit market is very busy at the moment and there is a shortage of candidates. Many accounting firms try to think outside the box and offer perks other than just a competitive salary.

## Salaries

€45,000 - €70,000

## Benefits

Remote work  
Flexible working hours  
Free parking  
Healthcare

## Opportunities

Exposure to areas other than audit  
Fast progression
